

How To Create And Submit a VOIP/Broadband Order

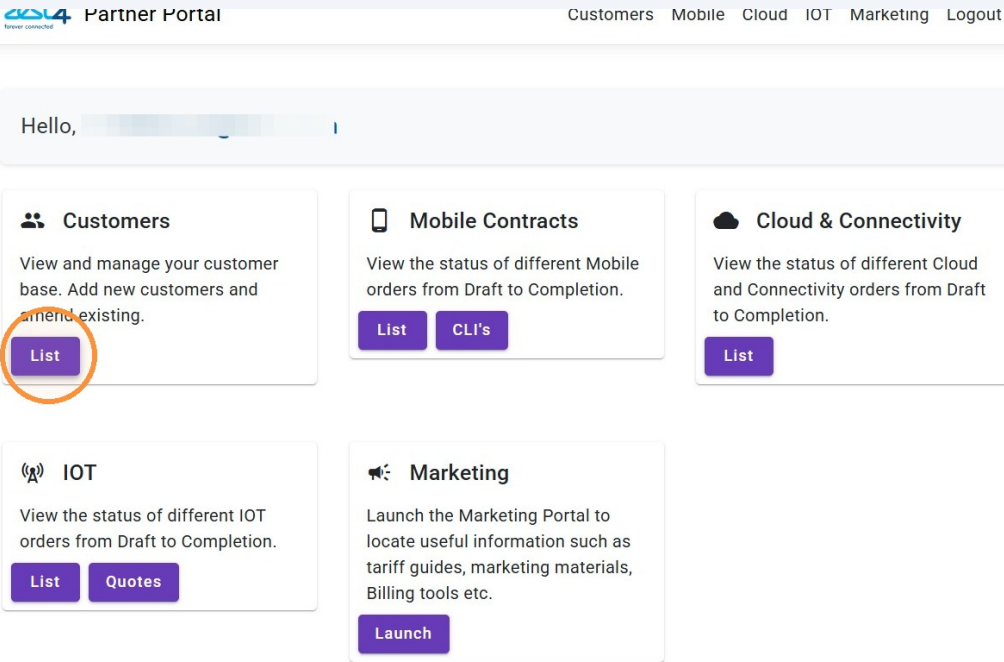

This guide provides a comprehensive walkthrough for creating and submitting a new order within the Zest4 partner portal. Follow these steps to correctly input partner references, customer addresses, and product configurations to finalize your order submission.

Customer Selection

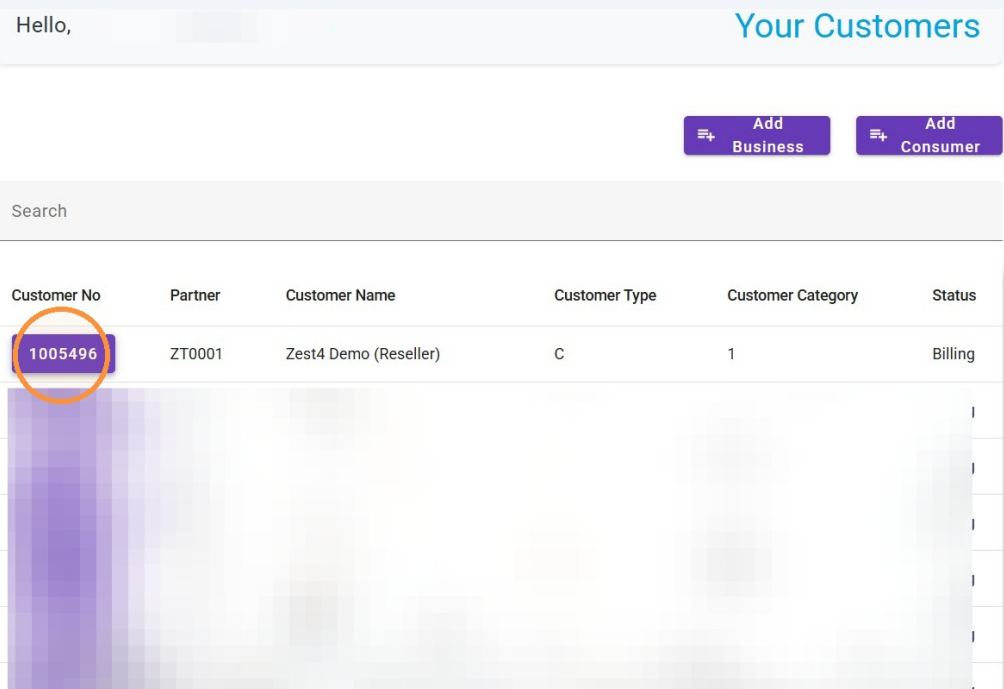

1 Navigate to <https://portal.zest4partners.com/#/>

2

3

Order Setup

4 Click "Create" within the Cloud & Connectivity section.

The screenshot shows a dashboard for a Zest4 Demo (Reseller) account. At the top, there's a 'Customer Details' section with fields for Customer No (1005496), Customer Name (Zest4 Demo (Reseller)), and Partner (ZT0001). Below this are four main sections: 'Mobile Contracts', 'Cloud & Connectivity', 'Addresses', and 'Contacts'. The 'Cloud & Connectivity' section is highlighted with an orange circle around its 'Create' button. The 'Addresses' and 'Contacts' sections have 'View' buttons. At the bottom, there's a copyright notice for 2026 Zest4 and a version number v1.3.1.

5 Click "Edit" in the Site Ref section to modify details.

The screenshot shows a form for creating a 'Cloud and Connectivity Order For Zest4 Demo (Reseller)'. The form is divided into several sections. The top section contains order details: Order Ref (CNC-10090), Status (Draft), Dealer Name (ZT0001), Review Date, Created Date (Jul 20, 2026, 9:37:55 AM), and Signed. Below this is a 'Site: not set' section with a location pin icon. To the right of this is a 'Submit Order' button. The 'Site Ref' section is highlighted with an orange circle around its 'Edit' button. Below this is a 'Customer Notes' section with a text area and an 'Edit' button. At the bottom right, there's an 'Add Installation' button.
